

VOLUNTEER FORM

As a family of families, The Academy relies on parent volunteers to help create a positive experience for all our performers. We would appreciate it if every family could volunteer for one of their child's shows by selling tickets, ushering, or selling concessions. We count on families to help in other areas including set building and painting, costume design, sewing, props gathering, and fundraising solicitation. We ask that you return the Volunteer Form along with your performer's permission to participate and signed agreement below.
